

Dear Teen,

The youth leaders at Mesa Baptist Church believe that the future hope and leadership of churches are today's teenagers. It is my desire as the youth pastor to work together with parents to equip young men and women with the necessary tools to become spiritually mature and to share their faith with others. We give special attention to their spiritual growth and have four main areas of focus where we seek to help each teen establish:

1. A desire to see the commission of the church fulfilled (Matt 28:18-20)
2. A love and understanding of the Word of God
3. Personal Spiritual Development
4. Discipleship of other believers (2 Tim 2:2)

In Christ,
Roger Grantham

What's Going On?

The temptations that teens face today are different and more difficult than ever before. To combat those issues, we teach the Word of God in a relevant, clear, and meaningful way. We believe that God's Word is necessary for us to understand so that we can apply its principles to our lives. We also want teenagers to develop friendships with other teens of like faith. This is why we plan activities with that goal in mind. Things like summer camp, fall and winter retreats, youth rallies, snow tubing, scavenger hunts, banquets, baseball games, ice skating, and many more activities can bring us together to have fun in a Christian environment.

Ultimately, we are seeking to glorify God by leading young people to a closer walk with God. We would love for you to visit one of our services or join us on an activity so you can discover if it's right for you!

Sunday School

Sunday morning teaching has been designed for both the Junior High (7th-9th grade) and Senior High (10th-12th grade). We meet together in the teen room at 9:45 every Sunday morning to sing unto the Lord and get to know each other. Then we split up into classes particularly designed for the needs of Junior High and Senior High.

Wednesday Night H.E.A.T.

This is when we get personal and deal with the issues that teens really want to know about. Each teen has their own H.E.A.T. notebook that helps them do daily devotions, track their Bible reading, learn verses, and take sermon notes. From the work they do in their notebook, they get points toward winning a special trip. If you are really serious about growing in the Lord, this is the time for you! You don't want to miss out on topics that will be taught like how to share your faith, Christian conduct, femininity and masculinity, dating, God's will for your life, the internet, and much more.

Visitation

Not only should you know how to lead people to the Lord, but you should practice every chance you get! Every Saturday morning, we meet together and split up into teams. An adult will be with each group to act as an example and a mentor that can teach the teens how to share their faith. Each team goes to visit teens that need encouragement, knock on doors to invite people to church, and look for opportunities to witness.

God has a purpose for your life. He designed you and created you with a reason in mind. But how can you know what that is? Can you really have a relationship with God? You sure can! Mesa Baptist Church wants to be the place to help you discover your purpose in life and learn how to get there. Come join us! There are lots of things to be involved with that have your specific needs as a teenager in mind. Parent, we want to work together with you to help your son or daughter reach their potential for Christ.

It's all for His Glory!
